

## Welcome to our Autumn Food (& Wine) Festival

As the nights begin to draw in our thoughts inevitably turn to warming favourites and these dishes are after all what we British are famous for. A tasty pie or banger with a good meaty gravy is perfect for cooler autumn evenings.

Of course our new Autumn menus will also be available throughout the period so if bangers and pies aren't your thing come and try some of our other dishes.

Do look out for the Free Wine week and our 'Half Price' weeks at the beginning and end of the Festival.

## Pie & a Pint Week :

**Monday 17th - Friday 21st October**

*A tasty pie & a pint for under a tenner*

As the weather begins to turn cooler we all begin to think of those classic British comfort foods, and what better example is there than a traditional tasty pie. All week long we'll be cooking up new pie filling recipes in the kitchen from old favourites like steak and ale to the more unusual such as minty lamb and vegetables, and many others besides.

Every day on the menu we'll have at least 4 different pies to choose from and we've also got a good selection of real ales to match.

Choose any of our homemade pies, with a creamy mash or chips, rich gravy and vegetables, plus a pint of bitter from the range for just under a tenner.

PS if you don't like real ale what about a J20 or a glass of wine or a soft drink!

## British Sausage Week :

**1st - 12th November**

*OK, so ours is a fortnight, but we do love sausages!*

Be it the perfect combination of Cumberland and mash, or the irresistible aroma of bangers on the BBQ, we simply love sausages. With over 400 unique varieties in the UK alone there's plenty to delight in during this year's world-famous British Sausage Week.

Now we can't promise to get all 400 varieties on our menu but we'll certainly bring you at least 6 on our menus and sometimes more. And you can mix and match flavours to make up your own unique dish. Choose your favourite 3 sausage combination, creamy mash or chips, green vegetables and rich gravy for just £8.95

## Free Wine Week\* :
