

Weddings at the

Inn on the Wye

*Why hold your wedding at The
Inn on The Wye?*

Our flexible approach to your special day with a beautiful location will make it a day to remember and this brochure is a guide to the services we offer. If you don't see something you really want in its pages please ask and we will try our best to accommodate your needs.

The Location

The Inn is in the beautiful Wye Valley nestled alongside the banks of the river Wye at Kerne Bridge, and in sight of the ancient Goodrich Castle on the hill above. The Inn is to be found just 4 miles from the beautiful Symonds Yat Gorge. Ross on Wye and the M50 are 4 -5 miles to the North and the A40 2 miles to the West.

The Venue

The Inn on the Wye is a former 18th century coaching house refurbished in late 2008. The interior retains all that was best of the original building with its exposed stonework and original beams and cosy corners, but with a strong nod toward the modern cleaner lines of today. In the main public areas there is a cosy fireside bar and comfy sofas, a high ceiling bar/dining area and a warm dining room for up to 50 diners.

The Inn has 10 bedrooms, all with en-suite shower rooms, 2 of which have 4 poster beds. We also have an apartment which has five bedrooms accommodating up to 10 guests. The function room can accommodate parties of up to 100 guests seated or 200 for a buffet and has a private garden overlooking the Valley and Goodrich castle. It provides a great backdrop for those all important photographs.
